## Recap of January 2015 Events – Success!

On January 17, 2015, over 80 participants attended each of our two Chapter PD sessions in 2015, **1) Lifecycle of a Business** and **2) Financial Strategies for Business**. We had a jam packed morning with Mr. Ian Wanke and Ms. Allison Burton, who shared with us many tips and traps in managing key performance indicators and business valuation, options in financing and business strategies to grow the business. Participants enjoyed a lively case study in groups and everyone has received a handful of tools and material to take away.

Our last two Chapter PD sessions on February 7, 2015, **1) Wealth Creation** and **2) Wealth Preservation and Transfer**, are expected to be sold out shortly. Please register as soon as possible before it is too late (see above).

Please be reminded about a few important items about Chapter PD sessions:

- We do not refund or transfer credits
- Chapter PD sessions are not eligible for the CPABC Passport. We apologize for any inconvenience
- Please be on time to complete your registration to ensure you earn your verifiable CPD points
- Parking at the facility is usually free but please check with the hotel registration desk to confirm whether you need to give your licence plate or not

25 members and students participated in our Zumba Afternoon Out event on January 24, 2015. Everyone enjoyed one full hour of energized work-out session and then shared some French sandwiches and pastries. We saw many new and familiar faces from previous events. We really appreciate your support and it was wonderful to catch up with you all. Remember our next event will be dinner at the **Personas Restaurant**. Register early to secure your spots.
